Intellectual Freedom

If you had to explain Intellectual Freedom to someone, what would you say?

Why did Dr. Joyce Latham say that the Library Bill of Rights was passed in 1939?

What is the top reason that books are challenged?

Have read any of the books mentioned on the most challenged lists?

What are your thoughts on why it was challenged?

What do these topics have to do with you and your fellow students?

Why does any of this matter?
